1. SUBMISSION DEADLINE

Authors are requested to submit their technical summary electronically at corresponding link at the conference WEB site (http://www.ieo.nctu.edu.tw/NCTU_LCS/main.php). **The deadline for paper submission is Nov. 4, 2022.**

2. GENERAL INFORMATION

2.1 Page Setup

The submitted technical summary must be prepared in the A4 format. **The length of a paper is limited to 4 pages, including figures and tables.** Top and bottom margins are 2.5 cm; left and right margins are 1.9 cm. The text body should be formatted in two 8.3 cm columns with a 0.6cm gutter.

2.2 Typefaces and Paragraphs

We strongly encourage authors to use Times-New-Roman font, and use the sizes styles specified in Table 1.

Table 1. Typeface and Paragraphs

	Size	Style	Alignment	Line spacing
Topic	16 pts.	Bold	Middle	0.5 line to Author list
Authors	12 pts.	plain	Middle	1 line to Abstract
Section titles	12 pts.	Bold	Left	1 line from previous section
Subheadings	10 pts.	Bold	Left	0.5 line from previous section
Captions	10 pts.	plain	Middle	
Body Text	10 pts.	plain	Justified	

Text should be typed with single line space. Do not put page numbers on your document.

2.3 Equations, Figures and Tables

When numbering equations, enclose numbers in parentheses and flush to the right margin of the column as in Eq. (1). Be sure that the symbols in your equation have been defined before the equation appears or immediately.

$$M = [1, 0] \cdot [W_{\lambda/2} \cdot W_{\lambda/4}] \cdot [R_{LC}(-\beta) \cdot W_{LC} \cdot R_{LC}(\beta)] \cdot [W_{\lambda/4} \cdot W_{\lambda/2}] \cdot \begin{bmatrix} 1 \\ 0 \end{bmatrix} \quad (1)$$

Large figures and tables may span across both columns. Figure captions should be placed below the figures; table captions should be placed above the tables.
